the numbers slowly declined until Big Bang in October 1986. This was to be a watershed as the demise of the trading floor made it difficult to contact potential walkers, and the hours being worked left little time for essential training. This is shown by the fact that no Club walker has finished in less than nine hours since 1987. The decline in numbers became more serious in the 1990's and caused the Club to hold its first open race in 1999, when we were delighted to welcome Surrey Walking Club in their centenary year.

Finally, we would point to the list in this Programme of Club members who have finished the race on ten or more occasions. Only eight have ever won the race, while the other 15 have not. Walking from London to Brighton is certainly addictive. To put the endeavours and finishing times of the past hundred years into perspective, we must all salute Don Thompson who, in an open race in 1957, completed the course in 7.35.12, with a steady stride that never wavered over the entire 52 miles.

So here we are at the crossroads: looking back over many years of enjoyment for the walkers (blisters apart), officials, helpers and supporters; and looking forward to our Centenary and last race. Let us hope that the sun shines on a wonderful finale.

From the Brighton Pillars:- continue along A23 moving on the footpath as you approach the roundabout at the end of the dual carriageway. At roundabout keep on the footpath on the left hand side as you go under the bridge and cross at the Cycle Path lane where a marshal will guide you on to the A23 single lane road heading for Brighton Centre. Great care is needed at this roundabout as the traffic is travelling very fast and you are crossing a total of six lanes of carriageway. Pass Black Lion pub on left.
Head A23 Town Centre passing Withdean Park, Surrenden Fields on left.
Just after Preston Church you cross the traffic lights at the Preston Drove junction. Continue on the A23 for two hundred yards and then you will be directed to turn left into Preston Park.

WALKING RULES

The London to Brighton Walk is held under the rules of the BAF and the RWA to which the Stock Exchange Athletic Club is affiliated.

Judges will be in attendance along the route of the race to ensure that the rules are complied with, particularly checking that your method of progression is in accordance
with Rule 191 as follows:-

Definition of Race Walking - Race Walking is a progression of steps so taken that the walker makes contact with the ground so that no visible (to the human eye) loss of contact occurs. The advancing leg must be straightened (i.e. not bent at the knee) from the moment of first contact with the ground until in the vertically upright position.

Walkers who are seen to infringe the rules may be given a warning, if this warning is ignored *disqualification could follow*. A disqualified walker should remove their numbers and leave the race. It should be noted that the giving of a warning is at the judge's discretion; *disqualification can be immediate* if in the opinion of the judge it is merited.

Walkers should also be aware that:-

a) they may not receive assistance from their second until they have covered six miles of the race i.e. Streatham Bus Garage.

b) they must keep close to the edge of the left-hand side of the road, unless otherwise ordered by a club official or the Police, and walk in single file.

c) walkers not reaching Merstham (18.5 miles) in 4 hours 15 minutes, The Coppingham Arms at Horley (26 miles) in 6 hours or Ansty Cross (39 miles) in 9 hours will be considered as having withdrawn from the race. Walkers failing to reach the finish in 12 hours 15 minutes will not be checked in and will not be in the official result.

d) their seconds or other spectators should not walk in front of, beside or behind them, other than when offering assistance; the pacing of a walker is strictly forbidden and *disqualification could result.*

The Committee of the Stock Exchange Athletic Club make the following further recommendations to seconds and spectators:

Not to smoke when offering refreshment to a walker; and
Not to offer stimulants of any kind to a walker.

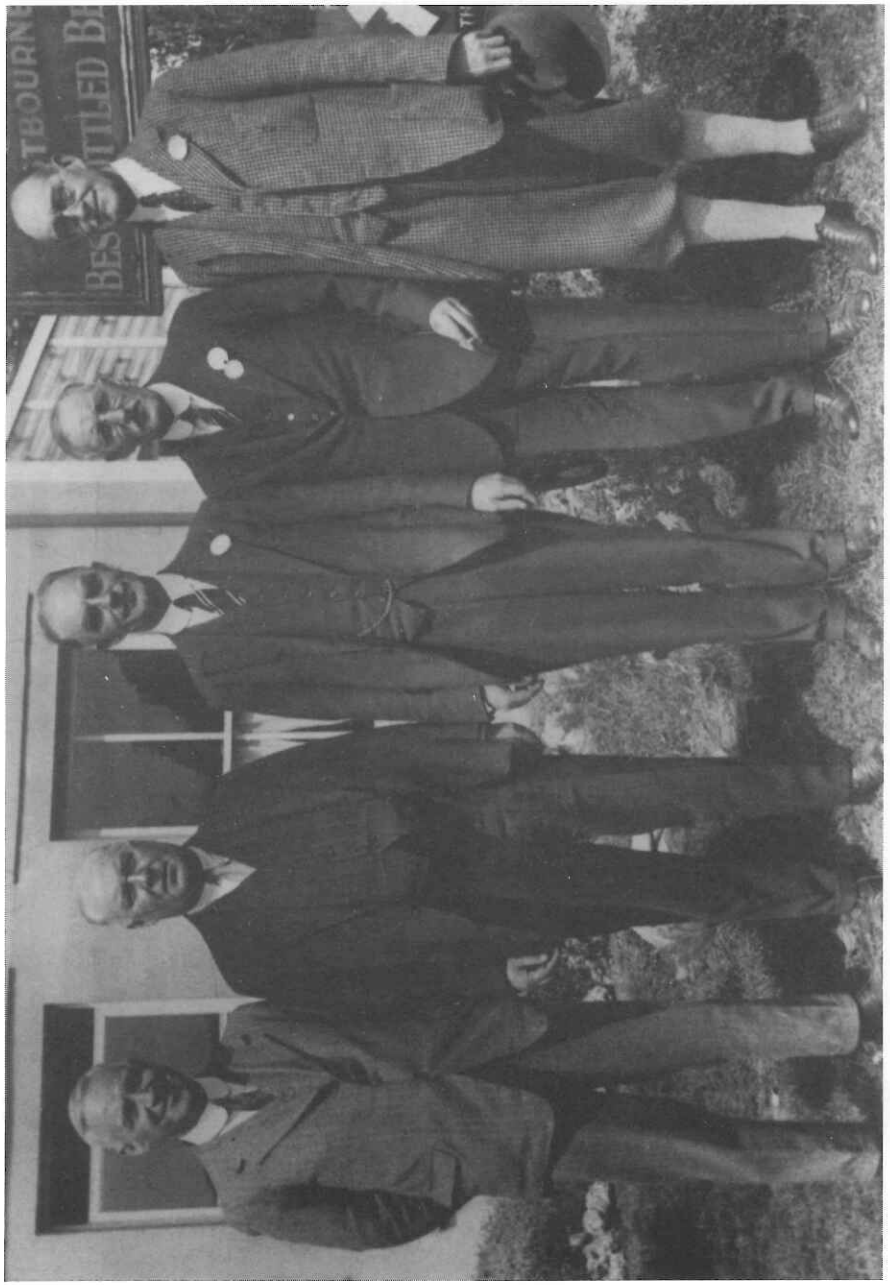
A huge crowd at Westminster for the start of the inaugural Stock Exchange race on May 1st 1903 indicates the amount of public interest there was for the event.

G.S. Pawle, seen here passing through Crawley, was the winner of the veteran's prize, finishing in 23rd place.

An illustration showing the winner of the inaugural race, E.F. Broad, being congratulated on arrival at Brighton. The general public interest appears to have followed the race all the way to the finish.

An interested dog complements the huge crowd to witness A. Dawes finishing in 8th place in 1903.



A unique photograph of the first five finishers of the 1903 race taken in their twilight years.
In order of finishing from left to right, E.F. Broad, G.D. Nicholas, T.E. Hammond, R. Davie and W.L. Nicholas.

H.E. Shattock coming home second to T. E. Hammond in the 1912 race.
Shattock went on to win the 1914 event, but sadly was fatally wounded during the First World War.

C.J. Culling, who completed six Brightons, finishing 4th in 1912.

F.C. Jones arrives at Brighton in 4th place in 1914. Jones finished 2nd in 1920 and 1921.

A lift up for Harry Hake after breaking the Stock Exchange record in the 1934 race with a time of 8.42.33. Congratulating him is the previous record holder, Tommy Hammond.

In recent years, Ted Hipkins and his wife, Jill, could be seen timekeeping at The Ansty Cross.
In 1954, Ted was on the Brighton Road, and is here receiving refreshment from Jill at The Feathers, Merstham.

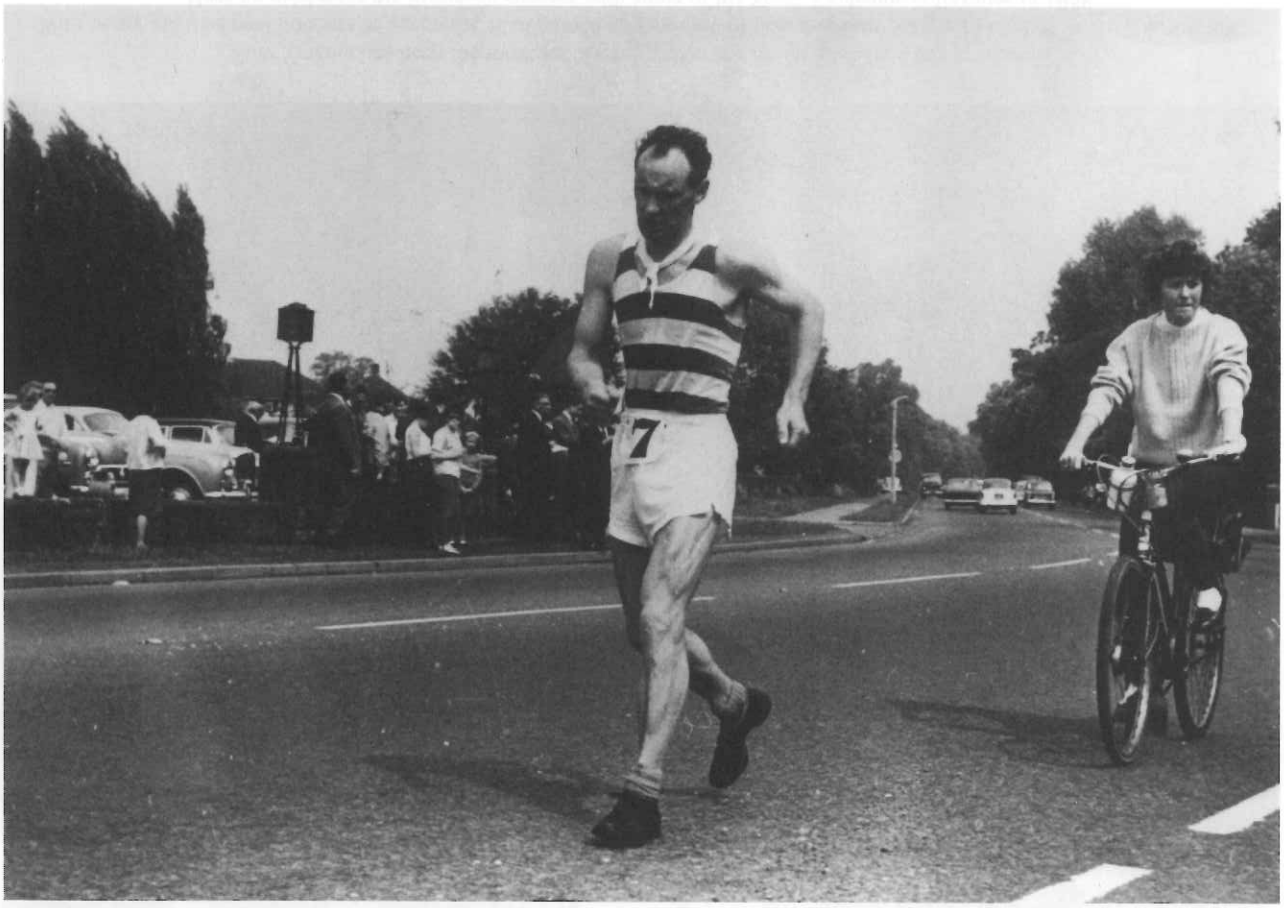
The relationship between the Club and the St. Dunstans Blind Association lasted for many years.
This photograph from 1956 shows Charles Williamson, of St. Dunstans and the Surrey Walking Club, finishing in 10.30.00 and guiding him in is former world 100-mile walk record holder, Hugh Neilson.

Stan Vickers has been the most successful walker the Stock Exchange has produced.
With many international honours to his credit, Stan gained an Olympic bronze and European gold medals in the 20km. walk.
Here he celebrates his European success with some of his Stock Exchange colleagues in 1958.



Brian Ficken has completed 15 Stock Exchange Brightons. Here he is on his way to 3rd place in the 1964 race. Looking after Brian is his wife, Pam.

Ken Mason achieved a hat-trick of wins from 1963 to 1965, and is seen here in 1964, attended by his brother Peter.

In 1962 Ray Hall became the first of three Stock Exchange walkers to break eight hours for the London to Brighton walk. Here he is battling it out at South Croydon with Dick Green (No.37) in 1966. On this occasion, it was Dick who came out on top.

The ultimate record holder for a London to Brighton walk, Don Thompson, has nine sub eight hour races to his credit. From 1967 to 1969, he had to battle with the fine British walker, Brian Eley, shown here tracking Don at Bolney during one of these races.

Another fast walker on the Brighton Road was Israeli international, Shaul Ladany. Shaul competed in three open Brightons between 1970 and 1972, winning them all at a sub eight hour pace. Keeping cool looks to be one answer for his successes.

Dick Green's achievement of 44 Brightons, 29 Stock Exchange and 15 Open, will not now be surpassed. Seen above, Dick is all smiles after one of his 13 successes, and being presented with the William Bramson Trophy in 1967 by the Mayor of Brighton. Also enjoying the occasion is future Club President, Tod Slaughter.

Cazenove has produced a number of fine walkers, among them John Nye, who won in 1973 and 1974.

Roger Lancefield had two successes in 1979 and 1980. Former record holder, Harry Hake, presents Roger with the William Bramson Trophy after his 1980 win. Looking on is Club President, David Bradford.

Paul King's eight wins is a unique record as it covers three decades and two centuries.
Paul's first win was in 1989; he won five races during the 1990s; and also in 2000 and 2001.

In 1999 the Club made their annual London to Brighton Walk an open event to celebrate the centenary of the Surrey Walking Club. Ian Statter won on that occasion, and also the two subsequent walks. Here he celebrates his second win in 2000.
