Team managers need to register their runners using an on-line form. Race numbers will be distributed to team managers/captains on the evening of the race. Minor changes to teams can be made on the evening of the race via the form. We will ask the clubs entering a significant number of teams to assist in the marshalling of the race. As you may know the race uses the gardens of St Thomas' Hospital as the team assembly and race viewpoint and we are very grateful for their assistance. A portion of the race's revenue is donated to St Thomas' Charity.

Closing date for entries is Monday 15 June 2026.

Race T-Shirts will be awarded to category winners.

We look forward to seeing you on 18 June

Regards

Greg Stevens, Race Director and the Committee of the Club.
